

January 2023 Kentucky Association Video Newsletter

By Don Harris, Kentucky Association Vice President and Communications Chair

Happy New Year Kentucky Association members and friends!

This month's video is six minutes long. The primary news topics are matters pertaining to the 2022 USATF Annual Meeting, USATF Kentucky Association Awards Banquet, Rule Books, Membership Dues, Masters, Youth, and Officials selected for the major 2023 USATF Championship meets. The video link for the January 2023 newsletter is [here](#).

As mentioned in the previous communications, the format of the Association Newsletter is going from paper to digital. When a newsletter is published, a new video link will be provided that is unique to that publication. I will continue to provide content focused primarily on USATF matters at the association, regional, and national level.

If you have suggestions, feedback, or content ideas for this newsletter, please submit those to harrisdon3807@gmail.com.
